

# SCHOOL OF STRATEGIC ENTREPRENEURSHIP AND ENTERPRISE

One critical aspect of Nigeria’s march to greatness is embedded in entrepreneurship and enterprise at strategic level of the Nigerian society. The scheme for the greatness of Nigeria provides for institution of “Nigeria Consortia” to take care of the weak operator status of Nigeria in the competitive world of business

To this end the School is responsible for developing strategic enterprises and Strategic Entrepreneurs and conducting courses of instruction relevant to making Nigeria not only become competitive in the business world but also exploring and exploiting areas of distinctive advantages that Nigeria is endowed with.

The School is also responsible for putting into effect, Nigeria’s philosophy of self-reliance, self-sufficiency, self-directedness and value accruals.
