

# STRUCTURE OF SCHOOL OF STRATEGIC MANAGEMENT

One of the requirements for Nigeria's greatness is that the society must be run efficiently. This task belongs to strategic management.

This school is responsible for conducting courses of instruction designed to impart strategic Management knowledge in all its ramifications.

Three broad areas of strategic management will be covered:

- (i) Basic Strategic Management
- (ii) Applied Strategic Management
- (iii) Advanced Strategic Management

## Organization Structure

The School of Strategic Management will be structured into three faculties as shown in the table below.
